

# SMALL GROUP

## Discussion Questions for Advent

1. Read Romans 11:33, Psalm 147:5, Isaiah 40:28, Isaiah 55:8-9 and Colossians 2:3. Let each person in the group take one of these verses and list the adjectives used to describe the Lord's wisdom, knowledge and understanding; then discuss the implications of these verses as they pertain to Christ being a Wonderful Counselor.
2. Jesus is the Wonderful Counselor and His written Word, the Bible, is His counseling manual. Read 2 Timothy 3:16-17, John 17:17, Proverbs 30:5, Psalm 12:6, Psalm 119:105. Let each person in the group take one of these verses and list the adjectives used to describe the written Word; then discuss the implications of these verses as they pertain to the nature of the counsel that the written Word can provide.
3. Since counsel from a renowned counselor and best selling author is incredibly expensive, what should be the Christians's attitude toward free counsel from the most Wonderful Counselor and best selling Author of all times? What should be our attitude toward His counsel?
