Discussion Questions on Hebrews 11:32-40

1. Hebrews 11:32-40 contrasts the triumphs of faith (v. 33-35), with the trials of faith (v. 35-38). As you look back in your own life, discuss which of these (triumphs or trials) have stretched your faith the most?
2. Hebrews 11:38 says that the examples given in Hebrews 11 were people “of whom the world was not worthy”. Discuss the meaning of that statement. Are there any application(s) in your own life that could be drawn from this statement?
3. Concerning those people given as examples in Hebrews 11, we read that they “gained approval through their faith” (v. 39). Discuss the meaning of that statement (Hebrews 10:38, 11:6; Romans 14:23).
