

# SMALL GROUP

## Discussion on Genesis 18

1. Read Genesis 18:9-15 and discuss Sarah's response. What was defective in Sarah's view of God compared to her view of her age and infertility? How can we apply that in our own lives?
  
2. Genesis 18:20 says that Sodom's sin was "exceedingly grave". Are all offenses the same or are some worse than others: [1] in our present legal system, and [2] in eternity? Are there degrees of sin (John 19:11) and degrees of eternal punishment (Matthew 11:20-24; Hebrews 10:29)?
  
3. Read Genesis 18:22-33 and discuss the manner in which Abraham intercedes for the righteous. Read also Luke 11:5-10, Luke 18:1-8 and James 5:16.
