Discussion Questions

1. Read 1 Corinthians 15:3-8, 1 Peter 1:16, 1 John 1:1-4. Discuss the reasons why the disciples were willing to suffer and die rather than recant of their faith in Jesus Christ (Acts 4:18-20).

2. Read Romans 10:9-10. Discuss why belief in the resurrection of Jesus Christ is the litmus test of true Christianity. Read 1 Corinthians 15:12-20.

3. Read Philippians 3:7-11. Discuss why the apostle Paul would write that His desire was to “know [Christ] and the power of His resurrection” (v. 10); didn’t he already know about these things?
