

SMALL GROUP

Discussion Questions for Advent

1. Read Isaiah 9:6, Psalm 90:2, Micah 5:2, Colossians 1:17, and 1 Timothy 1:17, and discuss the mystery of the union of Christ's divine and human natures.
2. When Christ was born there was no room in the inn (Read Luke 2:7), but in truth there is not enough "room" for Him in the entire universe (Read 1 Kings 8:27). So where does the infinite and eternal Son of God live? (Read Isa. 57:15, KJV). Discuss the mystery of the dwelling place of Christ at His birth (Luke 2:7), and [at the same time] the dwelling place of His divine nature.
3. Just as Adam stands as the progenitor or "father" of the human race, so Christ stands as the "father" or federal head of His people, the church. Read Colossians 1:18, Romans 5:15-19, and Corinthians 15:22 and compare and contrast these two "fathers".
