Discussion Questions on Romans 8:1-11

1. Read Romans 8:1 and discuss the placement of this statement in Romans (especially after chapter 7). What about the sins that the Christian commits after salvation? (Read Hebrews 10:14).

2. Read Romans 6:22 and 8:2 and discuss the Christian's freedom in Christ. Specifically what is the Christian free *from* and what is the Christian free *for*.

3. Read Romans 8:9-11 and discuss the Christian's unique relationship with God. How would you compare this to practitioners of man-made religion.
